## BE&K Building Group Raleigh Employees Raise \$2,000 for Susan G. Komen Race for the Cure

The BE&K Building Group's Raleigh-area employees raised nearly \$2,000 this summer in support of the Susan G. Komen Triangle Race for the Cure — in a fun and creative way.

The first step: employee volunteers presold the BBQ plate lunches to office co-workers and colleagues based at local area jobsites, as well as subcontractor employees, tradeworkers and area businesses.

Then on a sunny Thursday afternoon in mid-June, the parking lot of the Building Group's office (located in Research Triangle Park) became a hub of activity as 435 tasty lunches were served, resulting in a total fundraising effort of \$1,945.

Raleigh office event organizers applauded the many supporters, thanking everyone who helped make the fundraiser a success. They specifically noted that 75% of the money raised for this worthy foundation stays in North Carolina.
