Luther Cochrane, Chairman and Chief Executive Office of the BE&K Building Group, elaborated on the significance of this achievement. "For the BE&K Building Group — and its competitors — the national rankings generated by Modern Healthcare's Annual Construction and Design Survey are of major importance. Where a contractor falls on Modern Healthcare's prestigious list of Top Contractors can have significant influence in establishing and/or enhancing credibility with healthcare Owners (hospitals, hospital systems)," said Cochrane.

Modern Healthcare is the most widely read and respected publication serving the healthcare industry.
