BE&K Building Group Awarded Construction Contract for Piedmont Newnan Hospital Replacement Facility

Project Sited Near I-85 in southwest metropolitan Atlanta

The BE&K Building Group has been awarded a \$94 million contract by Piedmont Healthcare to provide preconstruction and construction services for a replacement facility for Piedmont Newnan Hospital in Newnan, Georgia.

When complete, the new hospital is expected to be the tallest building in the southwest metropolitan Atlanta area. The Building Group's Nashville and Atlanta offices are responsible for this significant healthcare construction project, which represents the first phase of a long-term building program planned for this campus.

The all-new nine-story, 362,500-square-foot replacement facility for Piedmont Newnan Hospital will include a total of 136 beds that are supported by eight operating rooms and an emergency department with 23 patient exam rooms. The project is designed to achieve LEED[®] Silver certification. Perkins+Will is the architect of record. Construction is scheduled to begin in May 2010 with completion slated for early 2012.
