## BE&K Building Group Celebrates Topping Out for The Westin at Heathrow, Luxury Hotel in Florida

In December, the BE&K Building Group's project team for The Westin at Heathrow in Lake Mary, Florida, marked the facility's topping out milestone with a luncheon celebration. Complete with ideal weather and an enthusiastic crowd, the celebration included custom-designed t-shirts, a southern-style barbeque buffet and raffle prizes.

The seven-story, \$33.5 million luxury hotel is expected to qualify for AAA's four-diamond ranking. The Westin at Heathrow's amenities, such as a state-of-the-art fitness center, are located on the first level of the hotel. Other guest highlights include a sushi bar and full-service restaurant, along with an outdoor pool and hot tub. The remaining six stories contain guest rooms consisting of 253 keys, including a presidential suite and a hospitality suite. The facility includes 20,000 square feet of meeting and ballroom space. The project is scheduled for completion in October 2009. The city of Lake Mary is located about 15 miles from downtown Orlando.
