Central Texas Medical Center CEO Gives Kudos to BE&K Building Group for Work-to-Date on Renovation/Expansion Project

The BE&K Building Group was publicly lauded for its work-in-progress at the Central Texas Medical Center (CTMC) by CTMC President and CEO Gary Jepson. The article in which Mr. Jepson praised our team's efforts is featured below. The BE&K Building Group's Nashville office is responsible for managing all construction activities related to this significant addition and renovation project located just south of Austin. Groundbreaking took place in early September 2008. The owner is Adventist Health System, a repeat client of the BE&K Building Group. *Project Delivery:* Construction Management at Risk.

About the BE&K Building Group — The BE&K Building Group, based in Charlotte, North Carolina, is a prominent construction services firm with an established track record for serving commercial, healthcare, industrial, and institutional clients throughout the Southeast, Mid-Atlantic and South Central regions. The BE&K Building Group, which has commercial operations in eight locations, is the exclusive construction arm of KBR, a leading U.S. based engineering, construction and services company.
