BE&K Building Group Celebrates Safety Milestone for Mount Pleasant Hospital and Medical Office Building

The BE&K Building Group's project team responsible for construction of the Mount Pleasant Hospital and Medical Office Building located near Charleston, South Carolina, achieved a safety milestone in August — 600,000 man-hours with no lost-time accidents! To mark the occasion, the team hosted an appreciation luncheon for the more than 350 workers at the project site. Larry Beasley, president and chief operating officer for the BE&K Building Group, addressed the crowd with a congratulatory message.

The BE&K Building Group's Charlotte office is responsible for this multifaceted project which has a total construction value of \$93.8 million. The Mount Pleasant Hospital complex, owned by Roper St. Francis Healthcare, is progressing on schedule. The 91,000-square-foot medical office building is scheduled for completion this fall, while the 215,000-square-foot hospital is slated for a November 2010 opening.

About the BE&K Building Group — The BE&K Building Group, based in Charlotte, North Carolina, is a prominent construction services firm with an established track record for serving commercial, healthcare, industrial, and institutional clients throughout the Southeast, Mid-Atlantic and South Central regions. The BE&K Building Group, which has operations in eight locations, is the exclusive commercial construction arm of KBR, a leading U.S. based engineering, construction and services company.
